PYME INNOVADORA
Válido hasta el 20 de mayo de 2023

Real Control of your facilities

- Analyze in real time
- Run preventive automatic checks
- Perform cross-checks
- Certify the cabling

DIAGNOSIS OF THE INSTALLATION STATUS THROUGH AUTOMATIC CABLE CERTIFICATION

Seamless Automation & Maximum Efficiency

- Speed up diagnostics and keep downtime to a minimum.
- Enjoy effortless, automated preventive maintenance.
- Cut back on manual work, reduce testing errors, and instantly access certificates and reports.

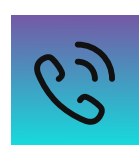

Scalable & Future-Ready

- Compatible with all types of cabling and adaptable to any installation—critical, secondary, fixed, temporary, small, large, or modular. The complete solution for every need.
- Versatile, reliable, simple, consistent, scalable.

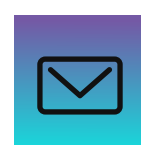

Real-Time Security & Actionable Insights

- Beyond monitoring: Diagnose in real time or on stand-by, perform certification tests on cabling and its connection to the complete system.
- Genuine security.
- Precision. Safety. Control.
